PRODUCT
RIDE ICE AXE
BRAND
PETZL
STAND 92

From ski touring to ski mountaineering, the RIDE is the lightest ice axe in the Petzl range. At 45 cm long and just 240 g, it's ultra-compact and can easily be carried on your pack. With a stainless steel spike and tapered pick the head design and curved shaft also provide comfortable grip whether you're in piolet-canne position or climbing. Practical and efficient, it also features a low profile adze for clearing snow when necessary.
